

VOTER ID

DO I HAVE TO SHOW ID?

Yes. With changes in voter laws, you must show an ID to vote in Iowa. That ID must prove both identity (who you are) and residence (where you live).

WHAT ARE THE ACCEPTED FORMS OF ID?

- An Iowa Voter ID card. Any registered voter can get an Iowa Voter ID card for free from their county auditor.

Any of the following, as long as the ID contains your photo and a valid expiration date (not expired):

- Driver's license or non-operator ID from Iowa or other state
- U.S. passport
- U.S. military or veteran's identification card
- A signed tribal ID card or other tribal enrollment document issued by a federally recognized tribe or nation
- ID card issued by an employer

If your photo ID doesn't have your current address in the precinct, you must also show one of the following documents to prove residency:

- Residential lease or property tax statement
- Utility bill or bank statement
- Paycheck or government check
- Other government document

The residency document must show your name and current address in the precinct, be dated, and show that you lived there within the last 45 days. For example, a utility bill from two months ago (60 days) won't count but a utility bill from last month would.

WHAT IF I DON'T HAVE ANY OF THE ABOVE ID?

- Another registered voter in your precinct may vouch for your identity and residency by signing an attestation. The signer must show an ID. You can then cast a regular ballot.
- Another option is casting a provisional ballot. A provisional ballot is a ballot given to a voter whose eligibility to vote is not immediately established.

You will be given a form that tells you the reason why you are casting a provisional ballot.

If the reason is that you registered on Election Day and did not have the proper identification, you will be provided a list of acceptable identification that you may either bring to your polling place before the polls close at 9:00 p.m. on Election Day, or bring to your county auditor's office by the deadline listed on the form given to you.

WILL MY PROVISIONAL BALLOT BE COUNTED?

- Yes, as long as you follow the instructions on the form provided to you when you cast your provisional ballot.
- If the issue is identification, and you have time and have an ID at home or work, it's usually better to get your ID and return to the polls to cast a regular ballot.
- If you have more questions, contact your county auditor's office or the Iowa Secretary of State website.

PROBLEMS AT THE POLLS

WHAT IF I'M NOT ON THE LIST OF VOTERS PROVIDED TO POLL WORKERS?

- First, ask a poll worker to check the list again and to confirm that you're at the right polling place for your address.
- If you're at the right polling place, but your name isn't on the voter list, you may either *register to vote* or *ask for a provisional ballot*.

WHAT IF I GO TO THE WRONG POLLING PLACE?

- Ask a poll worker to help you find the right polling place. Or call your county auditor's office, or look up your polling place online at <https://sos.iowa.gov>.
- You have the right to cast a provisional ballot even if you're not sure that you're at the right polling place.

WHAT IF I MAKE A MISTAKE ON MY BALLOT OR THE VOTING MACHINE MALFUNCTIONS?

- Tell a poll worker before you turn in your ballot. Do not try to erase any marks on your ballot. You will be given a new ballot. You have the right to up to two replacement ballots as long as you catch your mistake before you cast your ballot.
- If your voting machine malfunctions, request a different machine or a paper ballot.

WHO CAN VOTE?

CAN I VOTE IN IOWA?

- Before you actually vote, you must register to vote. You can register and vote in Iowa if you meet all of the following qualifications:
- You are a U.S. citizen;
- You are an Iowa resident;
- You are at least age 17 when you register and are age 18 by Election Day;
- You haven't been convicted of a felony, or you were convicted of a felony, but your right to vote was restored. (See "What If I've Been Convicted of a Felony.")

WHAT IF I'M A STUDENT?

Register to vote at your permanent home address or your school address, but *not* both. You must meet the same requirements to vote as any other eligible voter. If you have questions, contact your county auditor.

WWW.ACLU-IA.ORG/VOTE.**

WHAT IF I'M HOMELESS?

You can still register to vote and vote. Simply describe your place of residence on the voter registration form (for example, a park, a shelter, a friend's or family member's house, or any other place where you usually stay or sleep).

WHAT IF I'VE BEEN CONVICTED OF A FELONY?

- As of August 5, 2020, most Iowans who have a felony conviction are eligible to vote as long as they have discharged their sentences, including probation, parole, supervised release, and special sentence.
- You are eligible to vote in Iowa IF:
 - » You have discharged your sentence, meaning you're not incarcerated, not on probation, parole, supervised release, or are subject to a special sentence.
 - » You were not convicted of any felony under Chapter 707. Some examples of those felonies are: murder, voluntary manslaughter, felony involuntary manslaughter, and homicide, or serious injury by a vehicle. A complete list can be found online in Iowa Code Chapter 707.
- You do not have to have paid in full or be on a payment plan for fines, fees, or restitution. Your obligation to pay those hasn't gone away but those debts are not tied to your ability to vote.
- If you were convicted of a felony under Chapter 707, you can still apply to the Governor's office to have your voting rights restored.
- If you were convicted of a misdemeanor (simple, serious, or aggravated), you never lost your right to vote and can vote. If you're still in jail, you can vote by absentee ballot.

WHAT'S THE REGISTRATION DEADLINE?

To register by mail or at your county auditor's office, the deadline for your registration form to be received is 5:00 p.m. Saturday, October 24. Mailed forms should be post-marked Monday, October 19.

WHAT IF I MISS THE DEADLINE?

You can still vote by registering at your polling place on Election Day. Bring proof of your identity and residence (or another to vouch for you). (See "Voter ID.")

WHAT IF I CHANGE MY NAME OR MOVE?

- You have to **submit a written notice** to your county auditor every time you change your name.
- You have to **update your existing registration** every time you move within Iowa or if you move from a different state to Iowa.
- If you moved and didn't re-register, you can still vote. Go to your new polling place on Election Day and register at the polls. Bring documents to prove your identity and residence (or another voter to vouch for you). See "Voter ID."

VOTING EARLY

CAN I VOTE BEFORE ELECTION DAY?

Yes. Any registered voter can vote Monday, October 5, through Election Day by casting an "absentee ballot." You can mail it in or deliver it to your county auditor's office.

HOW DO I GET AN ABSENTEE BALLOT?

1) First, you have to ask for a ballot. This must be done by completing a request form. One or several might be mailed to you, for your convenience.

You can also call or email your county auditor or download the request form by going to <https://sos.iowa.gov>.

Requests for absentee ballot *request* forms must be received by your local county auditor by Saturday, October 24.

2) The county auditor will then mail you an actual ballot. Follow the instructions exactly.

3) After you have completed the ballot, you need to get it to your county auditor's office. Some options:

- » Mail it as instructed. Try to mail it in plenty of time. It must be postmarked no later than Monday, November 2.
- » Drop your ballot off at the county auditor's office any time before 9:00 p.m. on Election Day, Tuesday, November 3. Many have set up ballot boxes in front of their building for contact-free drop off.
- » Want to make sure your ballot was received? Call or email your county auditor or track it online at <https://sos.iowa.gov>.

WHAT'S THE DEADLINE FOR RETURNING MY ABSENTEE BALLOT?

- To be counted, your absentee ballot must be postmarked no later than Monday, November 2, and received in the county auditor's office no later than noon one week after Election Day. (You can call your county auditor to make sure it was received or check online at <https://sos.iowa.gov>.) You may

hand deliver your vote absentee ballot to the county auditor's office anytime before the polls close at 9:00 p.m. on Election Day.

WHAT IF I MAKE A MISTAKE ON MY ABSENTEE BALLOT?

- Do not try to erase or scratch out your answers. Instead, request a replacement ballot.
- Put the absentee ballot in the return envelope with a note that you made an error and would like a new ballot. Write "spoiled ballot" on the envelope and mail it to your county auditor as directed.
- If you're concerned about any voting deadlines, call or email your county auditor
- You can also take your ballot to the polls on Election Day and turn it in to the poll workers and tell them what the problem is. They'll then take the problem ballot so it is not counted and you can vote in a voting booth instead.

VOTING ON ELECTION DAY

CAN I GET TIME OFF FROM WORK TO VOTE?

Maybe. If your work schedule doesn't give you three consecutive hours off while the polls are open, you have the right to take time off from work to vote. However, you must give your employer written notice before Election Day. Your employer may not penalize you or deduct from your regular wages or salary on account of the absence.

WHERE DO I VOTE?

- You must vote at the polling place to which you're assigned.
- Your assigned polling place will be listed on the voter registration acknowledgment card that you should receive in the mail shortly after you register. Or call your county auditor's office to find out where to vote.
- You can also look up your polling place online at <https://sos.iowa.gov>.

WHAT IF MY POLLING PLACE IS NOT ACCESSIBLE TO ME, OR I NEED HELP VOTING?

- Under Iowa law, polling places must be accessible to persons with disabilities.
- If you find out before you go to vote that your polling place is not accessible to you, contact your county auditor or the Secretary of State right away and ask for an accommodation.
- If you find out when you go to vote that you cannot enter the polling place because of a disability, you can send someone into the polling place on your behalf to request curbside voting. Poll-workers will bring a paper ballot outside to your vehicle so you can vote.
- You also have the right to have anyone you choose assist you, including poll-workers, at the polls. You may bring this person into the voting booth with you. The only exceptions are that you may not be assisted by your employer, an agent or representative of your employer, or an agent or representative of your labor union.
